Public Notice

330-389051 7/28,10/27,11/3wg
CALL FOR AND NOTICE OF DEKALB COUNTY, GEORGIA NOVEMBER 8, 2016 SPECIAL ELECTION
TO THE QUALIFIED VOTERS OF THE **++PROPOSED CITY OF STONECREST, WITHIN DEKALB COUNTY, GEORGIA:++**
YOU ARE HEREBY NOTIFIED that on the 8th day of November, 2016, an election will be held in conjunction with the General Election for the purpose of submitting to the qualified voters of the proposed City of Stonecrest within DeKalb County, and excluding all other voters within the County beyond the proposed boundaries, the question of whether to incorporate the City of Stonecrest in DeKalb County under the provisions of the Georgia General Assembly's Senate Bill 208, Act 328.
The ballots to be used at said election shall have written or printed thereon substantially the following:
[] YES "Shall the Act incorporating the City of Stonecrest in DeKalb County according to the charter contained in the Act and the homestead exemptions described in the Act be approved?"
[] NO
All persons desiring to vote for approval of the Act shall vote "Yes," and all persons desiring to vote for

rejection of the Act shall vote "No." If more than one-half of the votes cast on such question are for approval of the Act, it shall become of full force and effect as provided in this charter, otherwise it shall be void and of no force and effect.

The last day to register to be eligible to vote in this special election is October 11, 2016. The special referendum will be held in all the regular polling precincts and election districts of DeKalb County, Georgia within the boundaries of the proposed incorporated City of Stonecrest. The polls will open at 7:00 AM and close at 7:00 PM.

Those residents qualified to vote at said election shall be determined in all respects in accordance with the election laws of the State of Georgia.

This notice is given pursuant to the approval of Senate Bill 208.
This 28th day of July, 2016
H. Maxine Daniels, Elections Supervisor

Public Notice
To Very Low Income Families
Application For Public Housing
One, Two, Three and Four Bedroom Only

The Housing Authority of the City of Lithonia Georgia will be **++accepting applications for the Low Income Public Housing Program ONLY++** on August 2, 2016 from 9:00 A.M. to 3:00 P.M., and August 3, 2016 from 9:00 A.M. to 2:00 P.M. Application will be open for **One, Two, Three and Four bedrooms only.** Applicants must be 18 years or older to apply. **All applicants must apply in person and present a picture ID.** No messages will be accepted via voice mail, electronic mail or fax. Applications are accepted without regard to Race, Color, Religion, Sex, Handicap, Familial Status, or National Origin. The names of eligible (very low income) families or elderly (62 years or older), handicapped, or disabled persons are placed on the Public Housing Waiting List, in accordance with the Federal Rule for assistance in the future.

The Lithonia Housing Authority's Public Housing Office, is located at 6878 Max Cleland Boulevard, Lithonia, Georgia 30058. Occupants of the Section 8 Housing Choice Voucher Program or other assisted housing, and applicants on a waiting list for any such housing must apply specifically for participation in the City of Lithonia's Public Housing Program if they wish to be considered for such participation. Applicants for these programs participations will not lose their place on the Section 8 Housing Choice Voucher Program waiting list or their place on waiting lists for any other assisted housing programs. The City of Lithonia's Public Housing Program is subsidized by the United States Department of Housing and Urban Development, and is administered by the Lithonia Housing Authority in accordance with the Federal and State Fair Housing Laws and the Federal Housing Amendment Act of 1988. The Lithonia Housing Authority will place notification in The Champion News paper when the application process resumes.

330-389201 7/28,8/4,8/11,8/18jb
NOTICE OF LOCATION AND DESIGN APPROVAL
CSHPP-0007-00(613) DEKALB COUNTY
++P I NUMBER 0007613++

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project. The date of location and design approval is: **June 30, 2016.**

The City of Clarkston is seeking to implement streetscape improvements that will ultimately revitalize the downtown and surrounding areas within the City limits. The roadway corridors identified for improvement include E. Ponce De Leon Avenue (from I-285 to Market Street), Market Street (from N. Indian Creek to Rowland Road), Rowland Street (from Market Street to Norman Road) and Norman Road (from Church Street to the City Limits). This project located 100% in DeKalb County and Congressional District 4 and is within Land District 18.

The purpose of the project is to enhance vehicular, pedestrian and bicycle safety along major roadways in the City. Street furnishings to include decorative signage, arbors, planters, benches and trash receptacles are planned enhancements throughout this projects limits. Articulated crosswalks with handicapped ramps in addition to improved signalization at intersections, improved MARTA bus stop access, articulated pedestrian cross walks and mast arm lighting will be incorporated into this project.

E. Ponce De Leon Avenue
E. Ponce De Leon Avenue is planned to include a short landscaped median at the approach to I-285 while maintaining a three lane section. Sidewalks will be enhanced and landscape planting will be added between I-285 and Mell Avenue between N. Indian Creek Road and Market Street, sidewalk and landscape improvements will be added to the north side of the roadway. Decorative fencing is planned along the entire length of the railroad ROW along the south side of E. Ponce De Leon Avenue.

Market Street
Market Street east of the CSX railroad (added) is planned to include a lane reduction to three lanes, this will allow for the addition of a dedicated 8' cycle track on the south side of the road. The cycle track will be separated by a 4' raised median. The north side of the roadway will include the addition of a 5' sidewalk. Bulb outs with pedestrian safety zones are planned at the intersections with E. Ponce De Leon Avenue, Vaughn Street and N. Indian Creek Road. Landscape planting is planned along both sides of Market Street. The intersection with N. Indian Creek Road is planned to include a bio-swale for storm water detention. An enhanced crosswalk is planned at the intersection crossing of the CSX railroad. A 10' sidewalk is planned at the railroad crossing on the south side only.

Rowland Street
Rowland Street is planned to maintain the two lane section. A 5' sidewalk is planned on the eastern side of the roadway and a 5' bicycle lane is planned on the western side of the road to function as a link from the current multi-use trail at the intersection with Norman Road to the proposed cycle track on Market Street. Milling and overlay of Rowland Street is planned to include replacement of broken granite header curbing with concrete header curb.

Norman Road
Norman road is planned to maintain the two lane section with bicycle lanes along both sides of the roadway. Sidewalk is planned to be widened from 4 feet to 5 feet along the western side. Three "easeabouts" or small narrow landscaped medians are planned to slow traffic. Norman Road is planned for full depth pavement reclamation up to the dam. Milling and overlay is planned for the roadway located on top of the dam. A boardwalk parallel to the southern edge of the roadway and below the dam is planned to provide an accessible route to Milam Park and a relocated fishing pier.

This project is proposed to be constructed in two phases. Clear and visible signage will be placed during construction to make nearby residents, business owners and customers aware of active construction, any detours and/or any closures.

Drawings of the proposed project, as approved, are on file and are avail-

330-389201 7/28,8/4,8/11,8/18jb
NOTICE OF LOCATION AND DESIGN APPROVAL

CSHPP-0007-00(613) DEKALB COUNTY
++P. I. NUMBER 0007613++

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location and design approval is: **June 30, 2016**.

The City of Clarkston is seeking to implement streetscape improvements that will ultimately revitalize the downtown and surrounding areas within the City limits. The roadway corridors identified for improvement include E. Ponce De Leon Avenue (from I-285 to Market Street), Market Street (from N. Indian Creek to Rowland Road), Rowland Street (from Market Street to Norman Road) and Norman Road (from Church Street to the City Limits). This project located 100% in DeKalb County and Congressional District 4 and is within Land District 18.

The purpose of the project is to enhance vehicular, pedestrian and bicycle safety along major roadways in the City. Street furnishings to include decorative signage, arbors, planters, benches and trash receptacles are planned enhancements throughout this projects limits. Articulated crosswalks with handicapped ramps in addition to improved signalization at intersections, improved MARTA bus stop access, articulated pedestrian cross walks and mast arm lighting will be incorporated into this project.

E. Ponce De Leon Avenue

E. Ponce De Leon Avenue is planned to include a short landscaped median at the approach to I-285 while maintaining a three lane section. Sidewalks will be enhanced and landscape planting will be added between I-285 and Mell Avenue between N. Indian Creek Road and Market Street, sidewalk and landscape improvements will be added to the north side of the roadway. Decorative fencing is planned along the entire length of the railroad ROW along the south side of E. Ponce De Leon Avenue.

Market Street

Market Street east of the CSX railroad (added) is planned to include a lane reduction to three lanes, this will allow for the addition of a dedicated 8' cycle track on the south side of the road. The cycle track will be separated by a 4' raised median. The north side of the roadway will include the addition of a 5' sidewalk. Bulb outs with pedestrian safety zones are planned at the intersections with E. Ponce De Leon Avenue, Vaughn Street and N. Indian Creek Road.

Landscape planting is planned along both sides of Market Street. The intersection with N. Indian Creek Road is planned to include a bio-swale for storm water detention. An enhanced crosswalk is planned at the intersection crossing of the CSX railroad. A 10' sidewalk is planned at the railroad crossing on the south side only.

Rowland Street
Rowland Street is planned to maintain the two lane section. A 5' sidewalk is planned on the eastern side of the roadway and a 5' bicycle lane is planned on the western side of the road to function as a link from the current multi-use trail at the intersection with Norman Road to the proposed cycle track on Market Street. Milling and overlay of Rowland Street is planned to include replacement of broken granite header curbing with concrete header curb.

Norman Road
Norman road is planned to maintain the two lane section with bicycle lanes along both sides of the roadway. Sidewalk is planned to be widened from 4 feet to 5 feet along the western side. Three "easeabouts" or small narrow landscaped medians are planned to slow traffic. Norman Road is planned for full depth pavement reclamation up to the dam. Milling and overlay is planned for the roadway located on top of the dam. A boardwalk parallel to the southern edge of the roadway and below the dam is planned to provide an accessible route to Milam Park and a relocated fishing pier.

This project is proposed to be constructed in two phases. Clear and visible signage will be placed during construction to make nearby residents, business owners and customers aware of active construction, any detours and/or any closures. Drawings of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:
